

Making a Double

One plus one is two
Two like me and you

Two plus two is four
Four knocks on the door

Three plus three is six
Six little Weetabix (yum yum!)

Four plus four is eight
Eight o'clock I'M LATE - AAARRRGH!

Five plus five is ten
Now let's go round again again again

It's no trouble making a double - oh yea
It's so easy just believe me - oh yea
It's no trouble making a double - oh yea
It's so easy just believe me - oh yea

(Back to start!)

Making a Double

Number bonds

$9+1$ is 10! etc (children shout 10! each time)

Let's do number bonds of 10 again, again

$1+9$ is 10! etc
